PROFESSIONAL SUMMARY:

Are you looking for a web developer who can create stunning and interactive websites for you? If yes, then you have come to the right place. I am a web developer who use HTML, CSS, JavaScript and React to make websites that are not only beautiful but also fun to use. But that's not all. I also build strong and safe backends with Node.js, Express, and MongoDB. I save your data securely, just like Grandma's secret cookie recipe. My thirst for knowledge keeps me constantly exploring and learning new skills and I'm always ready to take on new challenges. This makes me a great fit for any job related to websites.

AREAS OF EXPERTISE:

- ☑ HTML/CSS
- ☑ Tailwind/SASS
- ☑ Javascript/Typescript
- ☑ React/Chakra Ui
- ☑ Node.js/Express
- ☑ MongoDB/Mongoose
- ☑ Authentication/Security
- ☑ Git/Github
